

# Grow your brain.

# Seuss Teller

## Instructions

- Cut along the dotted line to remove this instruction tab.
- Fold the square in half from top left-hand corner to bottom right-hand corner. Unfold and repeat with the other side in the opposite direction. Unfold again. (Diagram 1)
- Fold each of the corners toward the back side so their points touch the middle of the "X" created with the folds. (Diagram 2)
- Turn over and fold each corner into the middle. (Diagram 3)
- Without turning over, fold half by lifting bottom corners to match up with the top corners. (Diagram 4)
- Slide your thumb and forefinger from each hand into the side "pockets" created by fold. Bring your hands together, joining the opposite corners of your papers. (Diagram 5)

## How to play

1. Have a friend choose a number.
2. Open and close the game the amount of times of the number.
3. Have your friend choose a book title. Open the section and ask your friend the two sets of trivia questions inside, one set from the book you chose and the other set from a book you did not choose.
4. Now it's your turn. Repeat the above steps and have your friend quiz you.
5. Each person will get two rounds of questions. Be sure the "guesser" does not pick a question section that has already been chosen. The person who guesses the most correct answers wins.
6. Be creative and make new rules to change the challenge.

## Note to teachers

Following are the books students should read prior to playing "Seuss Teller."

- The Cat in the Hat*
- The 500 Hats of Bartholomew Cubbins*
- Horton Hatches the Egg*
- Horton Hears a Who?*
- How the Grinch Stole Christmas*
- The Lorax*
